Sir,

In reply to your letter No 4251 dated 27th ultimo, I have the honor to state that I have reconsidered the necessity for the establishments entertained for the Health Camp and two Plague Camps of Mysore City and have come to the conclusion that certain reductions of establishments can be effected now that the rules regarding segregation have been modified.

2. As regards a mere retaining fee proposed to be paid to the establishment at the Health Camp, I find that it is not feasible as the men

men entertained in anticipation of sanction and already paid the rates of salary mentioned are unwilling to remain on a mere retaining fee.

I therefore request that you will kindly sanction the pay of the establishments as now submitted in the accompanying modified statement.

I have the honor to be
Sir,
Your most obedient servant
